Movenpick Rental Pool Program

Movenpick Hotel will soon begin their rental management of the Pool Villas that have enrolled in the Rental Program of 15 villas. This will begin right after the decoration and handover process has been completed to generate rental revenue for the Villa owners.

Renovation of main entrance and front of pool villas

To enhance the beauty of the project and increase the privacy of the Pool Villas, we have modified and increased the height of the villa's gate which is currently in progress.
